Dear Ms Damon

RE: FREEDOM OF INFORMATION

Please find below our response to your request for information in accordance with the Freedom of Information Act.

The Clinical Coding Manager for Wirral University Teaching Hospital has provided the information required for this response.

I am writing to make a request under the Freedom of Information Request.

My request relates to number of 'hymen reconstruction surgeries' offered on the NHS and the demographics of patients who receive this surgery.

Could you please tell me for the last five years (Jan 14-Jan 19):

Q1. How many surgeries were performed per year.

Wirral University Teaching Hospital does not perform hymen reconstruction surgery

Q2. What the age of the patients were

Not applicable

Q3. What the cost was per year for these procedures.

Not applicable

Q4. The ethnicity and religion of the patients, if information held.

Not applicable

Q5. Any guidance you hold on this procedure within your organisation or notes you feel happy to share.

Not applicable

We hope this information fully answers your request but if anything further is required or you are dissatisfied with the management of your request, please contact the Access to Information Office.

Yours sincerely

Lin Snow

Head of Information Governance & Records Management

Data Protection Officer and Copyright Lead

With responsibility for: **Data Quality, Clinical Coding & Information Security**

This information supplied to you is copyrighted to Wirral University Teaching Hospital and continues to be protected by the Copyright, Designs and Patents Act 1988. You are free to use it for your own purposes, including any non-commercial research you are doing and for the purposes of news reporting. Any other reuse, for example commercial publication, would require our specific permission.
