Dear Ms Cockram

Thank you for your request for information under the Freedom of Information Act 2000.

Further to my acknowledgement letter of 17 September 2015, I note your request and I can confirm that the Trust holds all of the information you have requested and I am able to release it as follows:

- *Please could you tell me how many people with Parkinson's disease have been admitted to secure mental health institutions in your Trust in the last five years?*

Since January 2010, Somerset Partnership NHS Foundation Trust has only had one admission to a mental health ward where the patient had a diagnosis of Parkinson's disease. It is important to note this patient's primary diagnosis was paranoid schizophrenia, with Parkinson's as a secondary diagnosis.

If you require further assistance or clarification to any part of this reply please quote the reference number and contact the Corporate Governance Directorate on 01278 432000 or contact Dawn Godfrey, FOI & Complaints Officer, directly on 01278 432084 or via e-mail at [FOI@sompar.nhs.uk](mailto:FOI@sompar.nhs.uk)

I hope this reply is helpful and thank you for your request.

Yours sincerely

**PHIL BRICE**

Director of Governance and Corporate Development
