Dear Benjamin

**Re: Freedom of Information Act 2000 – Request for Information**

Thank you for your email which was received by University College of Estate Management (UCEM) on 13 September 2023 timed 08:58, requesting a response to a set of questions focused on UCEM's international students with dependents.

All of UCEM's programmes are delivered online; as a provider we only deliver digital learning and teaching. This means that our international students do not travel to the UK to study; instead they remain in their own country. Further, we only collect information regarding dependants for our apprenticeship students, who are all UK-domiciled.

In light of the above, please could you confirm whether or not you are still interested in knowing UCEM's number of international students and dependents?

Please also note that we are unable to report on numbers for the 2023-24 academic year as the academic year in question has only recently commenced.

Until we receive clarification, UCEM will consider this information request to be suspended. The 20 working days to respond will re-commence when we receive your clarification.

If we do not hear from you within one month of the date of this letter, we will assume that you are no longer seeking access to this information and we will take no further action.

Yours sincerely,

**Freedom of Information Office**
