Dear Jenny Dawson

**Your Request for Information: FOI-0231-21**

Thank you for your request for information which has been processed under the Freedom of Information (FOI) Act 2000.

Your request and the response are below:

**I am interested in obtaining the latest Drug Patient Level Contract Monitoring (DrPLCM) report for Barts Health NHS Trust under Freedom of Information and kindly request your help.**

These are the records sent monthly from every provider to NHS Improvement in a .csv format. I would be grateful if you could send existing file(s) and nullify records that include personal data of patients, before responding. Please see the appendix below for the list of fields requested.

**Please include:**

- **The total dataset sent to NHS Improvement for all commissioners, rather than a single CCG**
- **All hospitals in your NHS Trust**
- **All inpatient, outpatient, A&E and other clinic records**
- **Jan 2019 to Dec 2020 showing monthly breakdown**
- **In .csv format**

Please find attached. As requested all patient identifiable information has been removed. Furthermore, please note that since the request crosses over different financial years, a few of the columns are blank since this was not a requirement in some years.
