Dear Peter

As requested by Louise Anthony please find details below re the Dover response to DCMS.

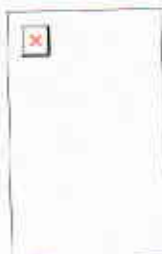

The cost to the District Council (net of DCMS grant) has been estimated at just under £5,000 per year for the Pot 1 element of the Initiative.

The Council owns the freehold to the 2 leisure centres but the service is provided by a Trust (the leaseholder).

Swimming sessions are not normally time limited. However a time limit is introduced and applied when a pool's safe operating capacity is reached - in these circumstances the minimum time from the issuing of the ticket to being called out of the pool is 1.25 hours.

I hope the information is helpful.

Charles
