Dear [REDACTED]

Ref: Freedom of Information Request No. 41/18

Thank you for your request for information. Your request was received by the Public Health Agency on 03/09/2018. This request will be processed under the terms of the Freedom of Information Act 2000, within the statutory timescale of 20 working days.

The leaflet attached is provided for your information and tells you about the legislation and our procedures for dealing with requests for information.

If you have any queries about this communication, please do not hesitate to contact me. It would be helpful if you could quote the reference number above in any future communications relating to this request for information.

I trust you find this helpful.

Yours sincerely,

[REDACTED]

OBO

Subject: Alcohol poisoning

My name is [REDACTED], a reporter with BBCNI.

We are seeking figures on alcohol poisoning admissions across all the trusts and hospitals in the past five recorded years, broken down annually, to highlight the dangers of binge drinking.

Most pertinently we would like the figures for under 18s, under 16s and children aged 12 and under, and if possible the ages of the youngest patients admitted.

Also figures for deaths from alcohol poisoning on an annual basis.

If you can't supply these in their entirety I'll settle for what figures you can supply.

Many thanks
