Dear Paul Atkinson

Freedom of Information – Clarification Required

Following your request for information we received on 23rd July 2022 Camden and Islington NHS Foundation Trust would like to request the following clarification.

With regards to your request:

“Given that almost two thirds of all IAPT’s referrals each year never begin a course of treatment or drop out before they finish a course of treatment please inform how many of drop out referrals have been followed up between 2013 and 2022, when are they followed up and with what results.”

We would be grateful if you could please clarify:

- 1. Could you please clarify if this information is for calendar or financial year for the years requested?**

Please note we are unable to proceed with your request until we receive a response to the above clarification request and therefore your request has been placed on hold.

If a response to this clarification request is not received within 10 working days your request will be closed.

Yours sincerely
