Dear Mr Smith,

Your request was received on 13 February 2021 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

*Could you provide the average fraction of total GCSE grades that were A*s (8/9) for successful applicants of Computer Science (G400) since 2017? If it is possible, I would be very grateful if you could you break down this information by college and year.
Also, could you provide information regarding the process that colleges take to shortlist candidates for interview for this subject?*

The requested information, insofar as it is held, is attached. Information about shortlisting is not held; all shortlisting processes for entry to undergraduate degree courses at the University are set and managed locally by each of the individual Colleges, each of which is a separate legal entity and public authority under the Act.

Please note that the attached document should not be copied, reproduced or used except in accordance with the law of copyright.
