Dear Ms Warren,

Re: Freedom of Information Act 2000: South Central SHA and Southampton PCT 2011-12

Thank you for your enquiry dated 21 May 2011. I am treating your request under the Freedom of Information Act 2000.

2. You asked for information covering –

- Whether South Central SHA or Southampton PCT received any funding from HM Treasury for capital outlay on fluoridation infrastructure.

3. I confirm that after a search of our information the Treasury does not hold information within the scope of your request.

4. As set out in my letter of 26 January 2011 (Ref 11/40), although Treasury is responsible for setting budgets for each Government Department as part of the Spending Review, the Department of Health is then responsible for cascading the funding to the NHS (via allocations to Primary Care Trusts) and for other health related spend.

5. If you have any queries about this letter, please contact me. It will be helpful to us if you quote the reference number above in any future communications.
