Noted, thanks kirstin. Can I assume as a Member BCAT I will have an opportunity to comment? Was the decision to follow this strategy taken by the BAT Directors?

Martin

Dear Members, Directors,  
Governors of BCGS and CDS

Please find attached a consultation paper that will be issued on Wed 20 March at 9am to all stakeholders regarding a proposed grammar satellite on the coast.

The application for this needs to be with the DfE on Tuesday 23 April and we are required to complete a 4 week consultation prior to submission.

The Selective School Expansion Fund SSEF is only a small pot of money and all this last time went to grammar schools who were expanding on their own site rather than a satellite due to the costs of this.

QE Grammar in Faversham are also now interested and will also be submitting a bid and will be consulting at the same time as us. We have agreed to do this at the same time so we don't upstage each other.

The application at this stage will be more of an expression of interest rather than any firm plans as a site is yet to be chosen. We hear the outcome in the Autumn

Any questions then please  
let me know.

Many thanks  
Kirstin
