Re: Barton Court Grammar School

I have viewed the prospectus for the proposed Barton Court Satellite Grammar School designed to serve the selective education students living on the coastal strip between Whitstable and Herne Bay.

I am entirely satisfied that there is a demand that needs to be met as swiftly as possible: it cannot be satisfactory that so many young people from Whitstable, Tankerton, Chestfield and (in my own constituency) Herne Bay have to be bused to schools in respectively Faversham, Chatham or Thanet for the education to which they are entitled because there is no provision on the coastal strip.

The consultation document is, I believe, soundly based and has my fullest support.
