Sites Identified In Local Plan with Current or Full Planning Applications against Them & Their Planning References Numbers

“Which sites identified in the North Herts Local Plan 2011-2031 have current outline or full planning applications registered against them and what are the planning reference numbers?”

Response:

This list contains all the current planning applications for local plan sites. It was compiled on 14 January 2019 and since then we have not received any further applications so the list is up to date.

The customer can use the reference numbers contained on this table and access them from the website.
