*The control on all are lives is staggering and will only get worse Another issue is how easily we don't think for ourselves ai being a major problem brought on through technology We are so easily led by the media through fake news and proporganda the destorying of small business and pushing towards agenda 21 2030 through climate change*

*The BBC is breaking the law by censorship of this post and freedom of speech by removing the above post*

*I have fwd to my mp. to bring up BBC suppression of freedom of speech*
