Dear Mr Paulley

Information request
Reference number: FOI2017/01368

Thank you for your request of 17th November. You requested the following information:

'Freightliner loco 66528 was light engine in St Pancras station at 0524 GMT 15/11/17, and pulled out shortly afterwards.

Please could you tell me why this loco was in St Pancras station?'

The train in question was a Network Rail test train, operated by Freightliner, that was testing the track between Bedford and London. The Locomotive was in St Pancras for the driver's rest break.

I hope this information is useful to you, If you have any enquiries about this response, please contact me in the first instance at FOI@networkrail.co.uk or on 01908 782405. Details of your appeal rights are below.
