Subject: Sub - Norwich Northern Distributor Road: Announcement of Full Approval

Please find attached a submission on the following issue:

Norwich Northern Distributor Road: Announcement of Full Approval

Summary

1. Announcement of full and final approval of the Norwich Northern Distributor Road as previously approved.

Timing

2. Routine – although it would be good to make the announcement as soon as possible given the delays that have occurred so that Norfolk can sign the contracts and mobilise the contractors to start works in time to avoid further delays caused by the bird-nesting season. In addition the Chancellor is visiting Norfolk at the end of the month. Officials have agreed that we should not delay the announcement further to fit in with this but it would be good if our announcement could be made in good time to allow the possibility of mobilisation to begin in advance of the Chancellor's visit.

Recommendation

4. That you note the current position with the scheme and agree the draft letter to send to local MPs (Annex B). A draft press notice will be submitted by Press Office shortly. In doing so you should note the points raised by recent correspondence with a Norfolk Councillor.
