Hi [DfT]

Many thanks for the submission.

The Minister has considered the advice and - to prevent further delay to scheme - believes in this instance we should make an exception to our policy of not providing additional funding

He wishes us to negotiate a smaller amount than has been requested (your suggestion of £10 million seems sensible).

Kind regards,

Please find attached a submission on the following issue:

Norwich Northern Distributor Road – Cost Increase

1. Whether to agree to provide additional funding (up to £15.8m) to Norfolk C.C. to cover the increased cost of the Norwich Northern Distributor Road.

Recommendation

2. That you note the options at paragraph 7 [in the submission] and provide a steer on your preferred option
