Thank you for your email of 11 June 2020 requesting the following information:

"Please could you advise of all recorded incidents in the Ash Common and Pirbright Common ranges, including the Ash Range Complex in the past three years, including if the incident involved a member of the public, since 1st January 2017?"

If possible, I would also like any information with regard to the type of incident, the number of people involved, whether an injury was sustained and if emergency assistance was called. If this extra information will exceed the limit of the statutory cost, I am happy to simply understand the dates and involvement of the general public"
