Your Ref	Freedom of Information request - Funding for the Department for Continuing Education
Address	WhatDoTheyKnow.com
Request	I write to request information regarding funding the Department for Continuing Education has received over the past five academic years, 2014-15, 2015-16, 2016-17, 2017-18 and 2018-19. Please list the total amount of private funding received by the Department for Continuing Education in the past five academic years, 2014-15, 2015-16, 2016-17, 2017-18 and 2018-19. Please also list the total amount of public funding received by the Department for Continuing Education in the past five academic years, 2014-15, 2015-16, 2016-17, 2017-18 and 2018-19.

Dear Ms Lynch-Watson

I write in reply to your email of Monday 26 August requesting the above information.

Please find the data in the table below:

Year	Private funding £000	Public funding £000	Total £000
2014-15	15533	878	16410
2015-16	16032	774	16806
2016-17	17088	902	17990
2017-18	18531	1032	19563
2018-19	19222	1056	20277

For the purposes of this request, we have defined public funding as any money provided by central government or a government agency, including the UK Research and Innovation (UKRI) and its former constituent bodies (e.g. EPSRC, NERC, etc.). We consider private funding to include any grants or donations provided by companies, charities or individuals.

We have also provided the data in terms of financial years, as opposed to academic years, because that is the form in which the data is kept. It would require a vast amount of work to split the funding received by academic year and it would not be particularly meaningful. The University's financial year runs from 1st August to 31st July.
