Dear Sir/Madam

Dr Lee Davies letter to you of 25 August identified after a thorough review of the electronic and paper files relating to the case, that there were two items of recorded information relevant to the initial enquiry which should be released under the provision of the Freedom of Information Act 2000.

These documents are detailed as follows:

1. Correspondence from Thanet District Council to GOSE dated 23rd of March 2009 referring to match funding.
2. Relevant information contained in the GOSE Audit team inspection report relating to the visit on the 24th and 25th June 2009 and the follow-up visit on the 25th August 2009

The information in these documents relate to points 1, 2 and 4 of the initial enquiry.

Finally, I enclose a copy of the grant offer letter which details the conditions of grant under the European Regional Development Fund programme and which was seen as being relevant to point 3 of the initial enquiry.

Yours sincerely

John Pinnell
European Programmes Manager
