Dear Madam/Sir,

## **Freedom of Information request – Humbug Building**

### **Introduction**

Thank you for your request dated 23 June 2010 made under the terms of the Freedom of Information Act 2000. Your request is:

- 1. Has any money from public funds been given to any owners/developers of this building since 2005 and, if so:*
- 2. What is the total amount of the money given?*
- 3. What were the conditions under which the money was given and have the recipients of the money complied with those conditions?*
- 4. How has that compliance been verified by the Council Officers of Margate Renewal Partnership?*
- 5. What action has been taken, or is to be taken, if the recipients have not complied with the conditions of the funding?*
- 6. Can an amendment to the original contract be authorised because the grant now relates to a different property ie only 16 Marine Drive and not 42 High Street now excluded?*
- 7. Is this a new contract that would have to go back for new planning approval and, does the grant have to be re-applied, by MRP, on different terms because it's such a fundamental change of use?*

### **Information requested**

SEEDA holds no information regarding public funding provided to the owners/developers of this property.
