Dear Margate Conservation Area Advisory Group

Freedom of Information Request – Funding of Humbug Shop Building, 16 Marine Drive and 42 High Street, Margate.

Thank you for your Freedom of Information Request, dated 24 June 2010

Your request to SEEDA is:

- 1. Has any money from public funds been given to any owners /developers of this building since 2005 and, if so:*
- 2. What is the total amount of the money given?*
- 3. What were the conditions under which the money was given and have the recipients of the money complied with those conditions?*
- 4. How has that compliance been verified by the Council Officers of MRP?*
- 5. What action has been taken, or is to be taken, if the recipients have not complied with the conditions of the funding?*
- 6. Can an amendment to the original contract be authorised because the grant now relates to a different property ie only 16 Marine Drive and not 42 High Street now excluded?*
- 7. Is this a new contract that would have to go back for new planning approval and, does the grant have to be re-applied, by MRP, on different terms because it's such a fundamental change of use?*

The information you have requested will be reviewed for release under the Freedom of Information Act.

Please contact me if you have any queries.

Yours sincerely,
