Title: Funding WBE

Your request:

Dear Sandwell Metropolitan Borough Council,

Can you please disclose what community groups or friends groups have applied for funding through the area budget detailing amounts granted for West Bromwich East only. Can you breakdown which wards these apply to. I would like this information from dates 2017 up to year ending 2020'

I would also like to know what other funding in terms of community grants etc has also been awarded as per the above.

Yours faithfully,

David Fisher
