I have looked at the information you requested and can see where our confusion came in! Luckily I kept all of my workings out so I could backtrack!

The info you require is:

Q19 2007/2008 = 65.8%, 2002 = 14.6%
Q20 2007/08 = 36.8%, 2002 = 12.5%

I hope this assists with your query.

Many thanks

Hi S. 40(2),

It will still be good to have those figures.

Thanks,

I am sorry but we will not be able to provide this information until some time next week when my colleague is back from annual leave.
Please let me know if that is too late so we don't allocate time to work on it unnecessarily.

Thanks
