Dear all,

Thank you for meeting us the other week to discuss the 30+ draft review report. As agreed, we welcomed comments by the end of last week. As we did not received anything further from you, we assume you are satisfied with the draft apart from the comments expressed at the meeting. We will be amending the draft according to these comments and circulate a copy to you for reference. It will then be ready to go to the PNB, where we are still aiming for the January agenda but have not been able to confirm this yet.

If you do have any other comments or questions, please do not hesitate to get in touch. Thank you again for your contributions to this review.

Kind regards,
