We have not had a response on this from Peter, and we really do need a steer on who should see the report. We also are unable to formulate the communication plan and whether the NPJA would like a consultation on the 30+ scheme, (the findings of this major review and need for a replacement scheme). We do need to know this before the report goes to PAB, and to inform our business planning for 2009/10 - which we are under pressure to complete shortly.

Is there anyway you can find a space in Peter's very busy diary to gain a steer please?

Kind regards

Merielle
