Subject: RE: Additional policing capacity project-review of the 30+ scheme
Dear [REDACTED]

the report is not due to be published until early next year, as it needs to pass the PNB first and is not likely to make it onto their agenda before their January meeting due to the ongoing pay disputes that take priority.

My colleague [REDACTED] and myself will be in Edinburgh for a conference 19-21 November, and we could arrange a meeting for either the afternoon of the Wednesday or the morning of the Friday? I know this is far into the future, but perhaps we can make use of our presence up in Scotland, assuming of course that you are actually based there yourselves. I will be more than happy to set up a video conference in the meantime, if that would be helpful. If so, please let me know dates that would suit you.

Kind regards,
[REDACTED]

Dear [REDACTED]

Thank you very much for your response.

It would be much appreciated if we could have a copy of the review. When is it due to be published?

It would be very helpful to set up a meeting to discuss the factors which are not covered in the report.

Kind regards

[REDACTED]

Hi [REDACTED],

please excuse my slow response [REDACTED]
[REDACTED]

Indeed, I have spoken to [REDACTED] about this in the past and am aware of this project. I remember having a video-conference call with [REDACTED] and [REDACTED] earlier this year, which proved very productive.

The report from the 30+ scheme review would be helpful to you as it contains many lessons learnt. We are just awaiting final comments on the first draft, but once those are in I am not aware of any reason why you cannot have sight of it in confidence - I would obviously have to ask you not to use or publish any of it though until it has received sign-off from the PNB and Home Secretary. There are other factors that are not covered in the report though, and I would be happy to discuss these with you. I'm sure we could set something like that up for you, if that might help the dialogue in this matter?

Kind regards,

██████████

Dear ██████████

██ as the deputy project manager on the additional policing capacity project. The project is managed by ██████████

We are making an additional 1000 police officers available in our communities and also going beyond this commitment and looking at redeployment and retention.

The project has 6 strands

- Recruitment
- Centralisation of recruitment
- Baseline and Management
- Retention
- Efficiencies and redeployment
- Community policing

As part of the retention strand we are looking at the 30+ scheme, how it could be improved.

Any information you can provide us with will be much appreciated.

Kind regards,

██████████
