Tick box on the right hand side of licensing and then click onto the cross sign on the left hand side. You will then see three options for types of licensed premises:

- *Licensing Act premises*

You can also carry out a search for licensed premises by clicking on Find Records. Then select a category using the drop down box to find a specific type of licensed premises.

Once you have selected the premises you are looking for click next and you will then be taken straight to the selected premises, to view the licence click onto the premises name on the left hand side of the screen, the word licence will appear, click onto licence and it will then open up onto the screen.

You can also use this function to find premises in an area.
