| Please note: | The <i>Uniform Mark boundaries</i> will not change for the lifetime of this specification whereas the <i>Raw Mark boundaries</i> will be set independently in each examination series. |
| | If you are planning to use the Raw Mark boundaries to estimate future performance and grades they must be used with caution as they are prone to change each series. |
| | The A* grade is not awarded for individual units - it is only awarded at subject level. |
| | A* is now a derived grade set independently in each examination series. If you are planning to use the A* boundary from this series to estimate future A* boundaries it must be used with caution as it is prone to change. |
