Dear Ms Kelly,

Re: Information Request – Freedom of Information Act (FOIA) 2000

Thank you for your email dated 20 February 2019 requesting the following information:

“Please provide me with a copy of your full GDPR Data Protection Impact Assessment (DPIA) questionnaire/assessment/template. It can be blank with no responses included so there is no concern with any sensitive data being released. This request should include any preliminary questions or any questions/mechanism for determining if a DPIA is required to be completed.”

We have considered your request and in accordance with S.1 (1) of the Freedom of Information Act 2000 (FOIA) I can confirm that we do hold the information that you have requested.

Please see attached our Data Protection Impact Assessment template, and Data Protection Questionnaire template.

In line with the Information Commissioner’s directive on the disclosure of information under the Freedom of Information Act 2000 your request will form part of our disclosure log. Therefore, a version of our response which will protect your anonymity will be posted on the NHS Digital website.

I trust you are satisfied with our response to your request for information. However, if you are not satisfied, you may request a review from a suitably qualified member of staff not involved in the initial query, via the enquiries@nhsdigital.nhs.uk email address or by post at the above postal address.

Your request to NHS Digital will now be closed on our internal CRM (customer relationship management) system.

Yours sincerely,

A Simpson
Information Assurance Advisor

Further information about your right to complain under the Freedom of Information Act is available from the Information Commissioner’s Office, Wilmslow, Cheshire, and on The Information Commissioner’s website www.ico.org.uk.

NHS Digital values customer feedback and would appreciate a moment of your time to respond to our Freedom of Information (FOI) Survey to let us know about your experience. Please access the survey through this link [here](#)
