Dear Mr Smith,

Your request was received on 31 March 2019 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

I am writing to request the INTERVIEW and CSAT scores of 2019 applicants for Girton College. Please also include: the predicted grades and A level/IB subjects taken, whether they were successful in getting an offer or not, those were pooled and what country they are from (if this part is not possible please just indicate whether they were a uk applicant or not).

The information requested, where held (we have previously advised you that we do not hold interview information), is refused under section 12(1) of the Act. You have requested a wide range of records. The University has estimated that the time required to locate, retrieve and extract the information you have requested would considerably surpass 18 hours of staff time charged at £25 per hour, and therefore that your request exceeds the appropriate limit of £450 as set out in the Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004.

For the purpose of this application of section 12, the University has aggregated this request with your other requests received in the period since 24 February 2019 as permitted under Regulation 5 of the Fees Regulations so that the estimated cost of complying with this request is taken to be the total costs of complying with all of them. Your requests were received within a period of sixty consecutive working days and are requests that relate, to any extent, to the same or similar information.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should contact us quoting the reference number above. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where
