Thur	00:00	24:00	Non standard timings. Where you intend to use the premises for the supply of alcohol at different times to those listed in the column on the left, please list (please read guidance note 5) The non-standard timings are intended to cut out the need for Temporary Event Notices (TENs) that have in the past been used to allow staff to get a drink during the build and breakdown of the site in order to encourage them to stay onsite/discourage them from leaving the site. The TEN process is over-burdensome and not cost effective for the Police and the Council. The inclusion in the licence seeks to remove the need for them whilst keeping the alcohol management in the control of Glastonbury Festival's DPS. The staff bar facilities will be open in June during the Festival build and for no more than a week after the Festival has closed its doors to the public. Only crew and employees of GFL, and employees of other companies involved in the set up of the GFL, will be permitted to purchase or consume alcohol in this period.
