Dear Mercy Korsah,

Request for information under the Freedom of Information Act 2000 (“the Act”)

Further to your recent request for information held by King’s College London, I am writing to confirm that the requested information is held by the university.

Your request

We received your information request on 12th September 2022 and have treated it as a request for information made under section 1(1) of the Act.

You requested the following information:

- 1. I would like to request the average grade for all King's Global health and social medicine BSc-modules for the last three years (breakdown on a module basis, only level 4-6 modules, in 10% percentiles).*
- 2. In addition, I would like to request the average grade for the BSc Global health and social medicine students for the last three years (in 10% percentiles per year). Moreover, I would like to request, how many BSc Global health and social medicine students have received each degree classification at the point of graduating.*

Our response

The attached appendix provides details relevant to your request. Please consider the notices in red when analysing the data.

Please note:

Data based on the students enrolled on:

- BSc in Global Health and Social Medicine (L510)*
- BSc in Global Health and Social Medicine with a Year Abroad (L512)*

- *Marks distribution calculations are based on the ratified results only and does not include records with a mark of zero (considering a non-submission), withdrawn and deferred records.*
- *Module outcomes are based only on the results of students enrolled on the above programmes. Any other student who has taken these modules and enrolled on any other course, were not considered.*
- *"1.Modules" tab provides modules average and percentiles data of level 4 - 6 modules.*
- *For the "average grade for the BSc Global health and social medicine students' paragraph, please refer to "2. Avg C-score" tab.*
- *Tab "3.Grads_Outcomes" provides degree classification data.*

This completes the university's response to your information request.
