Dear Mr Goodchild

### Freedom of Information Request, GP Practice Managers' Contact Information

Thank you for your request, received by NHS Leicestershire County and Rutland on 28 January 2013, in respect of information under the Freedom of Information Act 2000.

East Leicestershire and Rutland Clinical Commissioning Group (ELRCCG) is one of NHS Leicestershire County and Rutland's successor organisations and is responding to this request on its behalf. Please find below your question for ease of reference (in italics) and the organisation's response.

*"Please can you provide me with the names & email addresses of all Practice Managers in your area."*

### ELRCCG Response:

We attach a list of GP Practices across ELR CCG which includes names of Practice Managers, together with our email distribution list for Practice Managers in order that names can be matched with the appropriate email addresses. We do not hold a single list combining all the information.

Please note that some documents we provide may be copyrighted to East Leicestershire and Rutland Clinical Commissioning Group and, under the Re-use of Public Sector Information Regulations, may incur a licence agreement and fee should you wish to re-use them. If you do wish to re-use copyrighted material, you must ask our specific permission in all cases, which we may or may not give. Should you wish to apply for a licence please write to the Corporate Affairs Team at the above address.

Please contact the Corporate Affairs Team if you have further queries relating to this matter.

Yours sincerely

**J Blockley, Board / Project Support (ELRCCG)**
