Dear Sir/Madam

I am pleased to provide a response to your request for information, received on 28 March 2017:

In the light of a large pothole which has been outside 24 Jersey Rd for a year (se link below), and reported a month ago, with no sign of being even sprayringed, let alone fixed, please provide all documents relating to revisions of the standards which determine when a defect qualifies for action, of any kind. Please include the dates when any such revisions were made.
<https://www.fixmystreet.com/report/990369>.

- Since the publication of the Gloucestershire County Council Highway Safety Inspection Manual 2009 there have been no amendments/revisions.
