

Your Library

The House of Lords Library is your authoritative source of research, resources and information to support your work in Parliament. Use any of the contact details above to get in touch with our research and information services.

The Library magazine (enclosed) includes a topical *Digest*, and lists of new books and deposited papers, alongside original research and information content from across the Library.

You will be emailed a copy of the magazine on a monthly basis unless you indicate you would prefer not to receive it at all. You can also pick up a copy in the Millbank or Palace Libraries.

The Library also publishes Library Briefings on all major items of business, providing an essential overview of the topic, and recent developments in Parliament and beyond. In addition, the Library also produces a series of shorter In Focus articles covering shorter items of business as well as topical articles on a range of subjects including the House of Lords. All our research products can be found on the Library's website at <https://lordslibrary.parliament.uk/>. All publications relating to business are emailed to Members on the speakers list.

If you do not wish to be emailed the Library Magazine, or if you would like to be added to the circulation list to be emailed Library Briefings and/or In Focus articles please email us at HLResearchServices@parliament.uk

We look forward to hearing from you.
