Dear All

Please find enclosed the minutes of our meeting of the 7th. Apologies for the delay in sending them to you.

As they are quite long I have colour coded them to show parents/councillors/officers in order to aid comprehension. If you have comments please forward to me.

I have also attached a document about Nursery admissions which is mentioned in the minutes but not included in our original pack. I understand that [REDACTED] and [REDACTED] met last week with others.

Best regards,

[REDACTED]
