

FOI request - Reference: FOI-272861996
Title: Heads of Terms Agreements for Marischal Square Tenants

Your request:

As you are aware, the Information Commissioner intervened in my recent FOI request concerning ACC's relationship with Aberdeen Journals Ltd (Press & Journal, Evening Express) specifically with regard to renting space in Marischal Square.

The Information Commissioner's involvement led to the decision that when a lease is signed where public money is involved, the information is to be disclosed. In that spirit you sent me the Heads of Terms agreement for the space AJL is renting in Marischal Square.

My request is that you now send me all of the Heads of Terms agreements for those businesses, firms, entities currently occupying Marischal Square. These should be at least as complete as the HoT document I was sent for AJL, which shows eg the incentive package and rental information (space rented and rate per square foot).
