

**FOI1920(471)**

**1. How many staff do you currently employ to undertake RTT validation tasks?**

2.20 WTE RTT trackers.

**2. How many more permanent or temporary staff are expected to be needed over the next 12 months?**

None.

**3. How many open RTT pathways do you have currently?**

11,730.

**4. How many staff do you currently employ to undertake clinical coding validation tasks?**

1.67 WTE.

**5. How many more permanent or temporary staff are expected to be needed over the next 12 months?**

None.

**6. Do you operate and utilise a live bed state system?**

Yes.

**7. Has your organisation implemented any centralised or 24-hour bed management process, or have an automatic electronic utilisation data capture solution.**

The Trust does not have a bespoke bed management solution; however, we do use our Trakcare system to support this process.

**7a. If so, which processes or solutions are in use?**

As above.

**8. What is the name, job title, and department contact email address of the primary decision maker for change control of the bed state process?**

Levi Buckley, Chief Operating Officer, [levi.buckley@nhs.net](mailto:levi.buckley@nhs.net)

**9. How many Urgent Care/Emergency Department staff have access to the spine lookup and validation service to verify demographics at the point of patient registration?**

All Emergency Department and Urgent Care reception staff have access to the spine during patient registration via their SMART cards.
