

	A	B	C	D	E
1	I would be most grateful if you would provide me, under the Freedom of Information Act, the following:				
2	If any, the name of the software solution(s) used to manage your Healthcare Technology Assets	Arjo	Health – Inventory Management System (H-IMS) by Avensys	BEST	Datix
3	Who are the current supplier(s)?	Arjo	Avensys	Soft Options	Datix
4	What was the actual contract value(s) of each contract?	£24,537	£350,000.00 per annum	This is inapplicable as we had a one-off purchase of the software and only pay an annual licence fee.	The contract value is £64,000, but covers all the modules of Datix we have, including: Equipment, Claims, Complaints, Risks, and PALS. We are unable to isolate the value of the Equipment module.
5	Start date & duration of each contract?	The contract runs for one year and renews on 31 March each year.	The contract started in 2015 and will end on 31 March 2022, but has already been extended for another 12 months.	inapplicable as we had a one-off purchase of the software and pay an annual licence fee.	The Trust's predecessor organisation started using Datix in 2004, with renewal occurring in April of each year. The Trust inherited this arrangement and keeps it so.
6	Is there an extension clause in the contract(s) and, if so, the nature / duration of the extension?	It is renewed every 12 months.	It has already been extended for another 12 months.	This is inapplicable as we had a one-off purchase of the software and only pay an annual licence fee.	Yes, it renews in April of each year.
7	When will the decision to renew / extend the contract(s) be reviewed?	It renews every 12 months.	It has already been extended for another 12 months.	This is inapplicable.	The contract renews in April of each year.
8	Who is the senior officer (outside of procurement) responsible for this contract?	Phil Budd, Head of Estates	Phil Budd, Head of Estates	Jacqui Atkinson, Group Manager, Rehabilitation Equipment and Technology Group, Adult and Specialist Rehabilitation Division	Simon Bates, Head of Risk Management and Emergency Planning
