

Please see FOI response below. I hope that this satisfies your request for information.

FOI No: FOI472223101	
Subject:	FOI Request - Healthy Child Programme 0 -19, (0-25 with Special education needs and disabilities)
Details:	Response provided:
1. What is the current contract length (start date and end date)?	Current contract length is 3 years, with a 24-month extension clause. Contract commencement date was 1 July 2022.
2. What is the contract value?	Contract value is £5,348,000 per annum, totalling £26,740,000 over the contract term if the extension was to be implemented.
3. Who is the current supplier?	Current supplier is Tower Hamlets GP Care Group CIC
4. Is there an extension clause? If so, what is the duration of the extension and when would the first extension take effect if the clause was applied	There is a 24-month extension clause which, if implemented, would commence 1 July 2025
5. Has a decision been made yet as to whether the contract is being extended or renewed?	N/A
6. Please provide a copy of the full Invitation to Tender (ITT) published when the contract was last advertised.	Please see the attached documents
7. What are the contractual Key Performance Indicators?	See attached service specification which formed part of the ITT
8. Are the contractual Key Performance Indicators being met by the incumbent service supplier? (yes/no/partially)	<p>Performance reporting is required on a quarterly basis. As the contract commenced on 1 July 2022, to date there has therefore been only one quarter's reporting required.</p> <p>This information is commercially sensitive and cannot be included in this response. However, OHID regularly publishes national Health Visiting Service delivery metrics which may be of assistance in this respect over time.</p>
9. Is any of the provision delivered online/digitally/virtually? If so, please provide details as to the nature of the provision/product, if there is a paywall and if any licences are applicable.	All elements of the provision are delivered through a combination of face to face, online and digitally as deemed appropriate for the specific purpose. FNP (Family Nurse Partnership) is a licensed programme.
10. Please provide a list of the suppliers who applied and who were	This information is commercially sensitive and cannot be included in this response

successful and not successful at PQQ and ITT stages.	
11. Who is the senior officer (outside of procurement) responsible for the contract?	The lead officer for this contract is Joe McDonnell, Director of Public Health
