Dear Mr Jones

Freedom of Information Act 2000 – Clarification Request and Acknowledgement of Request for Information

Thank you for your request for information held by Hampshire Fire and Rescue Service (HFRS) which we received on 25 June 2018. We would like to receive some clarification relating to your request. Please can you clarify what you mean by mobilisation? Specifically, are you referring to the sending of any vehicle or only normal fire engines, or other more specific vehicles? Do you want to include when we go out to attend as a co responder providing a first response for medical help on behalf of the ambulance service? Please could you also clarify what you mean by an “unplanned standby mobilisation”? Regarding the data, if two appliances go out to one fire is that one mobilisation or two?

Once we have received the clarification we will intend to respond to you within 20 working days, however if it is not possible to respond within this timeframe, we will contact you explaining the reason/s for this, and provide a date by which the response will be made.

Any future correspondence with HFRS in relation to this matter should be sent to the Information Compliance Officer at the above address.

If for whatever reason you are unhappy with our response you may request an internal review by contacting DP@hantsfire.gov.uk or by writing to the Data Protection Team at Hampshire Fire and Rescue Service Headquarters, Leigh Road, Eastleigh, Hampshire, SO50 9SJ.

Should you still remain dissatisfied you can appeal against the internal review decision by contacting the Information Commissioner, Wycliffe House, Water Lane, Wilmslow SK9 5AF.

Yours sincerely
