Dear Mr Croft

REQUEST FOR INFORMATION UNDER THE FREEDOM OF INFORMATION ACT 2014

I refer to your request for information made under the Freedom of Information Act which was received on 22 January 2020. You requested the following information:

- (i) Any change of use of bridleway 28 in Cullompton since 1940.
- (ii) Any adoption of private land along Shortlands Lane, Cullompton, to be used as public highway since 1940.
- (iii) Minutes and records pertaining to any and all discussion regarding the use of bridleway 28 and Shortlands Lane, Cullompton.

You were informed on 27 January that Cullompton Town Council does not hold this information and you have requested a review of this decision as you have been made aware that the Town Council holds a number of records and/or documentation pertaining to the subject matter.

A review has been undertaken, as previously explained, if you require definitive information with regard to the status of Shortlands Lane then you need to ask Devon County Council as the Highway Authority. However, we have gone back through our old records and also searched through the Minutes of meetings for any reference to Shortlands Lane and found the following information which may help you with your research.

1. Notes (date and author unknown)
2. Definitive map statement
