Request

I would like to submit a Freedom of Information request for you to provide me with a full list (in a machine-readable format, preferably Excel) of highways maintainable at public expense (including adopted roads) in Newham. In addition, I would also like to request a complete list of private roads and highways within the Borough. Finally, if available, I would like a list of roads and property maintained by Network Rail within the Borough.

Response

Please see the attached spreadsheet of the Council's current schedule of roads within the borough.

You will see the codes provided which indicate the nature of the adoption/ownership of the roads. To note codes P,B & U/M are all London Borough of Newham roads maintained by the Council.

The Council does not hold a list of roads which are maintained by Network Rail.

If you require any further information or are not happy with our response please do not hesitate to contact a member of our team on (020) 8430 2000 or email us at information.governance@newham.gov.uk.

Yours sincerely,

Complaints, Members Enquiries and Information Governance
