Dear T. Willis,

Thank you for your request for information received by West Yorkshire Police on 09/12/2019.

You requested the following information:

1. How many homophobic attacks have there been in 2017, 2018, and 2019?
2. What was the nature of the attack?
3. Where was the attack?
4. Was the person prosecuted?
5. Where any of the attacks on Drag Queens - men in drag.
6. Any information you have on Drag Queens and hate crimes/ attacks.

Please see the attached document.

Unfortunately, West Yorkshire Police are unable to provide you with the full crime reports therefore redactions have been applied by virtue of Section 30 (1) (a) (b) (c) Investigations and Proceedings Conducted by Local Authorities and Section 40 (2) (a) (b) Personal Information.

Please see Appendix A, for the full legislative explanation as to why West Yorkshire Police are unable to provide the information.

A hate crime is any criminal offence which is perceived by the victim or any other person, to be motivated by a hostility or prejudice based on a person's disability, race, religion, sexual orientation or gender identity.

Please note recent increases in hate crime are predominantly associated with administrative change in relation to Force crime recording processes which have resulted in an increased likelihood of a crime being recorded following an incident report to the Police. Crime increases have been reported across a number of crime types this year and the increases in hate crime follow a similar pattern to related offences such as public order and low level violence without injury. The force has made improvements to how information about hate incidents is recorded. A number of sub-categories for the recording of faith and disability hate crimes are being introduced to get a better understanding of the impact of national and international events on local communities and improve and target services for victims.

Recent publicity may also have encouraged victims of hate incidents and crimes to come forward and report their experience to the police. West Yorkshire Police support the annual Hate Crime Awareness Week in partnership with the Police and Crime Commissioner in order to highlight the issue of hate

crime. The campaign aims to give people a better understanding of what hate crime is and encourage victims of hate incidents to report them.

As part of our commitment to making communities safer and feel safer, West Yorkshire Police is committed to engaging with communities to increase the under-reporting of hate crimes and hate incidents. West Yorkshire Police employs specialist Hate Crime Co-ordinators across districts in order to assist investigating officers in identifying perpetrators, providing after-care support for victims and to work with communities to increase awareness of hate crime and reporting mechanisms. They also engage in joint working with partners such as local councils, Victim Support and the 142 third party Hate Incident Reporting Centres (HIRCs). HIRCs offer anyone who has experienced or witnessed a hate crime / incident the opportunity to report it in an alternative location to a Police Station.

COMPLAINT RIGHTS

Yours sincerely,

Emily Dawson,
Disclosure Officer.

Appendix A

The Freedom of Information Act 2000 creates a statutory right of access to information held by public authorities. A public authority in receipt of a request must, if permitted, state under Section 1(a) of the Act, whether it holds the requested information and, if held, then communicate that information to the applicant under Section 1(b) of the Act.

The right of access to information is not without exception and is subject to a number of exemptions which are designed to enable public authorities, to withhold information that is unsuitable for release. Importantly the Act is designed to place information into the public domain. Information is granted to one person under the Act, it is then considered public information and must be communicated to any individual, should a request be received.

DECISION

Your request for information has been considered and I regret to inform you that West Yorkshire Police cannot comply. This letter serves as a Refusal Notice under Section 17 of the Freedom of Information Act 2000.

Section 17 of the Act provides:

(1) A public authority which, in relation to any request for information, is to any extent relying on a claim that information is exempt information must, within the time for complying with Section 1(1), give the applicant a notice which:-

- (a) States the fact,
- (b) Specifies the exemption in question, and
- (c) States (if that would not otherwise be apparent) why the exemption applies.

REASONS FOR DECISION

The reason that we are unable to provide you with this information is covered by the following Exemption:

Section 30 (1) (a) (b) (c) Investigations and Proceedings Conducted by Local Authorities
Section 40 (2) (a) (b) Personal Information

Section 40 is an absolute class based exemption and therefore does not require the public interest test to be considered.

To disclose the information would significantly increase the risk of individuals being identified which would breach principle 1 (lawfulness, fairness and transparency) of the Data Protection Act 2018.

Section 30 is a qualified class based exemption and as such requires the public interest test to be conducted, below are my considerations.

Public interest test

Factors favouring disclosure

Disclosure of the redacted information would adhere to the basic principles of openness and transparency, making for a more informed public.

Factors favouring non-disclosure

The information recorded when a crime is reported is held for the purpose of supporting the investigation into ascertaining whether anyone is guilty and if further proceedings will take place. If these specific details are disclosed to the public this would jeopardise any investigations and potential future proceedings that could arise from these investigations.

Balance test

West Yorkshire Police is tasked with the detection and prevention of crimes, investigations are a key principle to this work. Whilst disclosing the redacted details would ensure transparency between West Yorkshire Police and the public this must be weighed against the potential to jeopardise the investigations and undermine the ability of the force when tackling crime. Therefore it is my belief that balance lies in favour of non-disclosure at this time.

COMPLAINT RIGHTS

1. Are you unhappy with how your request has been handled or do you think the decision is incorrect?

You have the right to request that West Yorkshire Police review their decision. Prior to lodging a formal complaint, you are encouraged to discuss the decision with the case officer that dealt with your request.

2. Ask to have the decision looked at again

The quickest and easiest way to have the decision looked at again, is to telephone the case officer that is nominated at the end of your decision letter. That person will be able to discuss the decision, explaining any issues.

3. Complaint

If you are dissatisfied with the handling procedures or the decision made by West Yorkshire Police under the Freedom of Information Act 2000, you can lodge a written complaint to have the decision internally reviewed.

A West Yorkshire Police internal review of your decision will be carried out by a senior member of staff, who is fully trained in interpreting Freedom of Information legislation, yet is independent with regards to the original decision made.

Complaints will only be treated as valid, if they are received by West Yorkshire Police within a 60 day timeframe from the date of the decision letter. They must include the original FOI Reference Number and can only be submitted in writing by using the following contact details:

foi@westyorkshire.pnn.police.uk

or

West Yorkshire Police
FOI Internal Reviews

In all possible circumstances West Yorkshire Police will aim to complete and respond to your internal review within 20 working days. However this date may be extended in exceptional circumstances, by another 20 working days.

4. The Information Commissioner

If you are still dissatisfied with the internal review decision made by West Yorkshire Police, you may then make an application to the Information Commissioner for a decision on whether the request for information has been dealt with in accordance with the requirements of the Act.
