Dear Mr Maddison,

I am writing in response to your review request received on 10/07/2013. An internal review has been carried out by someone of a senior grade to the person who dealt with your original request. I am now in a position to respond to you. In your review request you said:

*I feel your answer does not clarify the answer, how can the amount be in line with the cost of living.*

*Rent/Mortgage*

*Gas*

*Electricity*

*Water*

*Insurance House/contents*

*Food*

*etc...*

*It just is not enough.*

I am satisfied that your request was dealt with and the information held in the link provided best answers the questions you have asked.

It may be helpful if I explain the role of the Freedom of Information Act. The Act provides a right of access to recorded information held by a public authority like DWP (subject to certain exemptions). The Act does not provide that a public authority must create new information to answer questions; nor does it provide that a public authority give advice, opinion or explanation in relation to issues/policies under question.

In cases where a customer does ask a question, rather than request recorded information, we do our utmost to provide the recorded information that best answers the question. Once the public authority has provided the recorded information, it has met its obligations under the Act; interpretation of the information provided is left to the requestor.

If you have any queries about this letter please contact me quoting the reference number above.

Yours sincerely,

DWP Central Fol Team
