Dear William

Freedom of Information Act 2000: Cyber Security

Thank you for your Freedom of Information enquiry of 25 May 2015.

You asked for the following information –

- *The National Cyber Security Strategy is an £860m programme. How is this money split up between the different departments and agencies involved in cyber security?*
- *How many departments and agencies take a slice of this budget?*

We would point out that, under section 8(1)(b) of the FOI Act, requests must state the full name of the applicant. It appears that this part of the Act has not been complied with in relation to your request. We therefore do not consider that this is a valid request under the Act.

If you have any queries about this letter, please contact me. Please quote the reference number above in any future communications.

Yours Sincerely

Information Rights Unit
