Dear Mr White

Freedom of Information Act (FOIA) Request – 190412020

Thank you for your request dated 12 April 2019 in which you asked for the following information from the Ministry of Justice (MoJ):

Dear Judicial Conduct Investigations Office, How many cases has Judge WJ Rolt judged where he has been mentioned in cases in which he has judged since 2012 to 2018 and how many of those cases has he judged in his favour? To me it's a conflict of interest and I feel he shouldn't be judging a case where he's part of the problem and then judges in his favour. To me that's a miscarriage of justice. Yours faithfully, Andrew White

I apologise for the delay in responding to your request. Your request is being handled under the FOIA.

I have considered your request for information but I am unable to answer it without further clarification. Section 1(3) of the FOIA does not oblige us to answer requests where we require further clarification to identify and locate the information requested.

Unfortunately, I do not understand the exact information you are seeking and would be grateful if you could please explain what you mean by the following:

How many cases has Judge WJ Rolt judged where he has been mentioned in cases in which he has judged since 2012 to 2018 and how many of those cases has he judged in his favour?

On receipt of this information I will continue to process your request.

Yours sincerely

Mr Nazir Rasul
Judicial Conduct Investigation Office
