We do not hold this information

Section 40 - Personal Data - *five or less.

Please note that we have omitted the data where the values are 5 or less as this could reveal the identities of the children. We consider that this information is exempt under section 40 of FOIA. Please see the refusal notice below.

S40 (2) identifying individuals through statistical tables (5 or less)

The information you require is attached, but some information has been redacted. This is because in some instances, owing to the low numbers of individuals involved (5 or less) disclosing this data may make it possible for individuals to be identified. This information is therefore exempt by virtue of section 40 (2) of the Freedom of Information Act 2000 (FOIA), as disclosure of this information to the public generally, in the Council's view, would not be consistent with data protection principles in Article

5 of the General Data Protection Regulations. This is an absolute exemption and the public interest test does not apply.

If you are interested in the data that the council holds you may wish to visit Open Barnet, the council's data portal. This brings together all our published datasets and other information of interest on one searchable database for anyone, anywhere to access. <http://open.barnet.gov.uk/>

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
