Dear Mr Warner,

**Re: Your request of 6 June 2016 - Information Commissioner's Decision Notice
FS50654419**

This letter gives effect to the Information Commissioner's Decision Notice of 13 March 2017.

That notice requires the IPCC to disclose the rank of one of the two police officers whose rank had been refused by the IPCC. I can confirm that the rank of this officer at the time he or she was served with a misconduct notice by the IPCC was Chief Superintendent (retired).

A copy of this letter has been provided to the ICO.

Yours sincerely,

pp

Julian Blazeby
Director of Major Investigations
Independent Police Complaints Commission
