

Amount spent by the House of Lords on toilet paper in 2014 to 2019

Request:

How much did you spend on toilet roll in between 2014-2019 broken down by year and brand (if known)?

Response:

The Freedom of Information Act 2000 ("the FOIA") provides a right of access, subject to specified exemptions, to recorded information held by a public authority. In the case of the House of Lords, the rights of access apply to recorded information held by the House of Lords Administration.

The House Administration does not hold this information. Toilet paper is not purchased directly by the House of Lords but is provided as part of a cleaning contract for both the House of Lords and the House of Commons. It is not possible to disaggregate costs for specific products such as toilet paper from the overall contract.
